

Together

Words and Music Michael Burrows 2008

1st verse

I'm able to dream
I'm able to smile

I'm able to grow
I'll go the extra mile

I'm able to sing
I'm able to try

I'm able to laugh
I'm able to cry

One day at a time

Put your hands together

We can change lives forever

Together we're able

2nd verse

I'm able to think
I'm able to learn

I'm able to grow
I'm able to yearn

I'm able to shine
I'm able to go

I'm able to seek
I'm able to know

One day at a time

Put your hands together

We can change lives forever

Together we're able
